(Ft. LAUDERDALE, FL) —We are pleased to announce the arrival of top real estate producer Sheryl Hodor who has joined the Prudential Florida WCI Realty's Ft. Lauderdale office. During her 17 years of real estate experience, Hodor has obtained in-depth knowledge, insurmountable to none, of the South Florida real estate market. Her success is a result of her professional approach to real estate and the exceptional customer service experience she offers buyers and sellers.

"I am very proud to be associated with a rapidly-growing organization with such a strong customer focus" commented Hodor. "The support and the technology provided to Prudential Florida WCI Realty associates for lead generation and customer management is also unparalleled in the industry. I look forward to sharing in the Prudential Florida WCI story."

Hodor has been awarded the renowned Legend Society Award, an honor received only by those who continually achieve sales goals attained by less than .4% of all Realtors nationwide through her prior affiliation with Coldwell Banker Residential Real Estate, Inc. When featured on the cover of Real Estate Affiliates Magazine, Hodor was acknowledged on a national level for receiving one of the largest referral commissions within the network. Buyers and sellers of real estate benefit from her responsiveness and the high level of service she provides.

"We are very excited to have someone with Sheryl's' experience, work ethics and proven track record joining our Prudential Florida WCI Realty family," said Rei Mesa, President and COO. "Her dedication, drive, professionalism and outstanding qualifications make her a remarkable addition to the Prudential Florida WCI Realty team."

"I am thrilled to have someone with Sheryl's background," stated Branch Manager Terry Schreiber. Terry continues, "Her reputation is legendary and her attention to detail and utmost professionalism is exemplary. I welcome her and look forward to a wonderful, profitable and happy relationship."
